Remember to:

- Allow the Holy Spirit to guide you in this time
- Draw freely. It does not have to look perfect.

STEPS:

1. Listen to: Peace by Bethel Music
2. As you listen to this song, write down the lyrics of the song that speaks to you.
3. Allow the Holy Spirit to guide you and to reveal to you an image that comes to mind as you listen to the song again.
4. You may draw or paint out the image that was revealed to you.
